The screenshot displays the user interface of the E-learning ITNY system. At the top, there is a navigation bar with a 'Catalog' tab, a search box for 'Search Courses', and a user profile dropdown for 'ADMIN USER'. The main header features the logo of Institut Teknologi Nasional Yogyakarta and the text 'E-Learning ITNY'. Below the header is a banner image with the text 'Build your academic knowledge'. A 'Customise this page' button is located on the right side of the banner. The dashboard is organized into several sections: 'Navigation' with links to 'Dashboard', 'Site home', 'Site pages', and 'Courses'; 'Administration' with a link to 'Site administration'; 'Recently Accessed Courses' showing 'No recent courses'; 'Private Files' showing 'No files available' and a 'Manage private files...' link; and 'Course Overview' with a search box and a filter dropdown set to 'All (except hidden)'. The bottom right corner includes a 'Timeline' section with a search box and a filter dropdown set to 'Course name', along with a 'Card' view selector.
